**ANNUAL REPORT  
JULY 2023-JUNE 2024**

The District sponsored Ranch Days in Glenwood NM. Quemado offered a scholarship for a high school senior to further their education.

The District continued its agriculture cost share program. And the Pronone cost share is also continuing.

The District applied for a Legacy Fund grant to write a land use plan and received it. They also received a Water Quality grant to purchase herbicide for a cost share program. A grant was also received to help the local FFA chapter in the next CDE season.
